LeAnn-

There is a package under review within the region. I don't have a final schedule, but think it will be at least another few weeks before we have any more information to share with you.

I will keep you posted. Thank you.

Hi Rett –

Just checking in to see if you have an estimated date yet or any updates from a couple of weeks ago?

Thanks,
LeAnn

LeAnn-

Thanks for your call on Friday. The region is proceeding to draft documents (which will require legal review). I'm afraid there's little to report out to you beyond that. We are working on it.

Please continue to check in with me as needed. Thanks again.

LeAnn-

We are still working out a schedule for the next steps. Nothing is imminent in the next few weeks. As you know, we have received numerous comments: 217 submissions made containing over 1800 comments. We need to complete responses to comments and work with our Headquarters counterparts as part of the process. I can update you once we have a more definite schedule put together.

Thanks.

Sorry, LeAnn, for not getting back to you. We are looking into it. Your voice-mail implied it was soon, but I hadn't heard that. Again, John and I are investigating.

Do you have an estimate of when EPA will move forward with the SIP correction?

Thanks,

I checked in. The comments will be posted after the close of the comment period. Because of the Memorial Day holiday they will be available for viewing on Tuesday, May 26th.

Thanks.

Hi Rett –

It looks like EPA has received 175 comments to date but only 4 are currently available on regs.gov. Do you know if they others will be posted before the close of the public comment period on Friday?

Thanks,
LeAnn

Dear LeAnn:

Attached please find the Federal Register notice extending the comment period.

There were three requests to extend the comment period from:

1. David Altman on behalf of individuals, former regulators, and a consortium of environmental and health organizations from throughout Ohio.
2. Anonymous request.
3. Communities United For Action (CUFA) - Clark Beck, Board President; Mary Metzmeir, Executive Director.

The comment period is extended to May 22, 2020. The previously submitted comments/extension requests are now available to view in the docket on regulations.gov. Please let me (or the contact identified in the Federal Register notice) know if you still can't see them. Thanks.

LeAnn-

Thank you for your call yesterday.

I do expect the public comment period to be extended. The extension notice should be published in the Federal Register tomorrow. Comments would then be due by 05/22/2020. I'm still checking on the ability to see other commenters' comments in the docket. Thanks.
